International Conference Presentation Support (ICPS) 2027

Application Requirements

*Applications for international conference presentation support for the FY 2027 will also be held after April 2027.

*Support may be provided only once per person during FY2027.

The applicant and his/her supervisor will be notified of the acceptance or rejection of the support by e-mail as soon as possible after the review in the office.

In the case of a large number of applicants, priority will be given to those who (1) have not received this support, (2) do not apply to any of the following categories: JSPS Research Fellow, recipients of the Graduate Education Support Organisation Programme, and recipients of other research grants, and (3) are in a higher grade than that of the applicant.

5. Procedures after selection

- Please refer to the website below for the application documents for this support program and the flowchart for receiving the support funds. (<https://global.educ.kyoto-u.ac.jp/international-education/support-for-students/icps>)
- This support is provided in accordance with Kyoto University's regulations on travel expenses. If the applicant does not comply with the University's internal regulations or fails to submit the required documents by the designated deadlines, travel expense support cannot be provided. The applicant must strictly observe all submission requirements and deadlines.
- In order to receive reimbursement of travel expenses from Kyoto University, the applicant must register their bank account information for bank transfer and complete user registration for the travel expense system. These registrations must be completed promptly after the support decision has been made. For details, the applicant should refer to the Office's website.
- For overseas travel, the applicant must independently enroll in overseas travel insurance. A plan with unlimited coverage for medical treatment and assistance expenses is mandatory.
- Conference registration fees will be processed on a reimbursement basis. To claim reimbursement for the conference registration fee:
 1. If payment has already been completed before the selection decision is made, the applicant must submit the receipt and documentation showing the amount of the conference registration fee promptly after the selection decision, and must submit the finalized credit card statement promptly after it is issued.
 2. If payment is made after the selection decision is made, the applicant must submit the receipt and documentation showing the amount of the conference registration fee promptly after completing the payment procedure, and must submit the finalized credit card statement promptly after it is issued. Please ensure that the finalized credit card statement is submitted no later than the end of March of the academic year in which the conference is attended.
- The support funds will be transferred to the registered bank account approximately three weeks after all procedures have been completed, and no later than three months afterward.
- If, after being selected for this support, the applicant decides to cancel their presentation, they must notify the Office immediately. If any support funds have already been paid at that point, the applicant will be required to return them. In addition, if the applicant withdraws from this support for personal reasons, they will not be allowed to reapply for this support again during the same academic year.

6. Documents to be submitted and obligations after the conference presentation

- After the presentation, the recipient is required to submit Appendix 4, "Report for International Conference Presentation Support (ICPS)" to the Office and to share the outcomes of the conference presentation and the experience on the Office's website (reports from the previous academic year are available at <https://global.educ.kyoto-u.ac.jp/international-education/support-for-students/icps>). In addition, the recipient is
